

COVO WOOD SERIES

Covo features a one piece Beech Wood shell with optional cut out design and upholstered seat insert on a steel frame with self leveling glides. Frames available in cafe and bar stool heights. Available in 16 wood stain finish colors and 24 frame finish colors.

COVO GENERAL SPECIFICATIONS

- Shell** Covo Series chairs have a contoured single piece wood shell made of 0.50" thick Beech Wood multiply veneer. Backrest has optional decorative pattern cutout. Chairs and stools are offered in 16 stain finish colors.
- Upholstery** Upholstered seat inserts can be finished in choice of fabric, vinyl, crypton or leather.
- Frame** Covo 4-Leg frames are 0.625" diameter, 16 gauge steel tubing with hand brazed welds. Frames are available in cafe, counter stool and bar stool heights.
- Metal Prep** All frames are completely sand blasted for maximum paint adhesion prior to final powder coating.
- Finish** 24 standard powder coat finishes.
- Glides** All frames come with factory installed self leveling steel glides.
- Stacking** It is not recommended to stack any Covo Wood chairs. The chair and stool design stacks, however the bumpers may eventually leave pressure marks on the wood.

BACK DESIGN OPTIONS

Wood Shell Back Design Options/Codes:
