

**HARTFORD LOUNGE**

The Hartford Lounge Collection is a sophisticated lounge series with a trapezoid shaped back with metal legs. The Hartford Collection is elegantly fresh and like most of our lounge collections, it can be ordered as individual units or with a special configuration.

FOUR MODULAR CHAIRS  
GANGED WITH HARTFORD CORNER TABLE

**HARTFORD GENERAL SPECIFICATIONS**

- Frame** Frame assembly is constructed of multi-ply hardwood, milled on 4 sides to 1" thickness. No sag-springs are installed in seat & back along with interlocking helicoil springs to prevent sagging and provide additional lower back and seat support. Back has Trapezoid shape with unique pocket design for added support.
- Upholstery** Hartford Lounge Collection is upholstered in your choice of fabric, vinyl, crypton, leather or Customers Own Material. Seat foam is bonded to all sides of hardwood frame. Seat cushions are 5" graded, high resiliency block foam covered entirely with special bonded polyester fiber to protect final upholstery. ERG uses only waterbase glues and adhesives in all our upholstery process.
- Metal Legs** Hartford metal legs are 2" diameter, 14 gauge steel tubing with a welded top flange. Each leg has a factory installed black nylon glide. Legs are powder coated in one of 24 standard finish colors.
- Glides** All modular units are standard with factory installed, poly vinyl glides.
- Warranty** ERG offers a lifetime warranty on all foam and frames.
- Tables** Hartford Occasional Tables are in the occasional tables section of this book.
- Benches** For 2 and 3 seat benches see Ashton Benches in the Benches Section with Hartford Leg option.
