

ROXBY LOUNGE

Roxby lounges, arm chair and sofas offer a full range of choices for the most demanding designs. Choose your powder coat color for the steel legs and contrasting color for the solid steel feet. Combine modular lounge designs with sofas, and use the benches and occasional tables available to provide a cohesive elegant design for any environment.

2 SEAT CORNER GROUPING WITH ROXBY END TABLE

ROXBY GENERAL SPECIFICATIONS

- Frame** Frame assembly is constructed of solid hardwood, and multi-ply hardwood, milled on 4 sides to 1" thickness. No sag-springs are installed in seat & back along with interlocking helicoil springs to prevent sagging and provide additional lower back and seat support. An upholstered wood frame platform is attached to legs and frame assembly.
- Upholstery** Roxby arm chairs and sofas and modular pieces are fully upholstered. For upholstery options choose from fabric, vinyl, leather or Customer's Own Material (COM). Upholstery: Seat foam is bonded to all sides of hardwood frame. Seat cushions are 4" graded, high resiliency block foam covered entirely with special bonded polyester fiber to protect final upholstery. ERG uses only waterbase glues and adhesives in all our upholstery process.
- Metal Legs** Roxby metal legs are 1.25" diameter, 14 gauge steel tubing. Legs are powder coated in one of 24 standard finish colors.
- Foot** Roxby foot is made of solid steel. Roxby foot can be finished in a different contrasting color by choosing contrasting footing option.
- Warranty** ERG offers a lifetime warranty on all foam and frames.
- Benches** For 1, 2 and 3 seat benches see Roxby Benches in the Benches Section.
- Tables** See Roxby coordinating occasional tables in the Occasional Tables Section.
